*** Traditional guidelines**

Makers may perform any enhancements and modification that improve the presentation of the image that could have been done at the time the image was taken but that does not change the truth of the original image. Cropping and horizontal flipping (equivalent to reversing the slide) are acceptable modifications. Addition of elements, removal of elements other than cropping, combining elements from separate images, rearranging elements or cloning elements are not acceptable.

**** Freestyle**

Must originate from photo by maker. Cannot be 100% computer generated image. Maker may perform any enhancements and modifications or alterations. Any manipulation made to the original image must be done by the maker.

@ Nature defined as per PSA rules. (See Essex Photo Club Competitions Rules for more details.)

Members may enter up to six photos per competition with a maximum of two photos in any one category.

For full details see the “ESSEX PHOTO CLUB COMPETITION RULES (May 2008)”
